

13th Annual

IEEE WIE

Wine and Cheese 2022

Date: March 25th, 2022

Venue: Canadian Museum of Nature

240 McLeod St, Ottawa, ON K2P 2R1

Time: 7:00pm - 10:00pm

The **13th Annual Celebration of Women in Engineering Wine and Cheese** (WIE Wine and Cheese) provides an opportunity for students in engineering to expand their network and spark valuable discussions in a low-pressure environment with experts, professionals, faculty, and fellow students in their interested career fields and create lasting bonds for years to come.

We are putting our focus towards connecting individuals with a passion for innovation to different areas of expertise. We believe that the creativity and intellect of all members of society are essential to accelerate progress towards a sustainable future with innovative technology.

This event is entirely run by students, for the students. Every year, the IEEE WIE University of Ottawa Student Branch works hard to bridge the gap between students and industry with events such as this.

Patronage Benefits

We believe that featuring your organization in this year's WIE Wine and Cheese would be a wonderful opportunity to:

- **Recruit and inspire** incoming engineering graduates
- **Share your expertise** on the topics you're passionate about with like-minded individuals
- **Cement your organization's brand** as an industry leader to the next generation of engineers

We are pleased to offer you a patronage package that will put your organization on the platform and showcase your brand.
